Subject: 2016 Eisenbarth Bioassessment Sampling

Mr. Justice,

Statoil proposes to conduct the 2016 Eisenbarth bioassessment sampling on August 11th-12th and September 26th-27th. As you previously requested, these dates coincide with last year's sampling event. When you have time I would like to discuss choosing an additional background sampling location for this round of sampling. Please let me know when you are available to discuss.

Sincerely,

Steve Tink
